

Irregular Stars

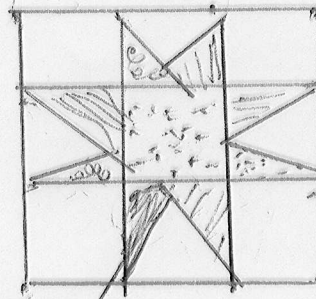

Structure: like a regular 9 patch

Needed for $9\frac{1}{2}$ block:

8 $3\frac{1}{2}$ squares of background fabric

1 $3\frac{1}{2}$ square of star fabric

Assorted scraps of same color as star fabric [center fabric]

Step A. Using one of the background squares, place a scrap across one corner, sew $\frac{1}{4}$ " from edge [see diagram]

Step B. Fold back and trim star fabric to match edges of background square. DO NOT TRIM BACKGROUND FABRIC

Step C. Place a second scrap on adjacent corner, sew and fold back. Trim to match background fabric.

Step D. Make a total of 4 star point units.

Step E. Sew together as you would a normal 9 patch
